## University of Arizona Construction Update

### Construction Notice

10/5/16

Two University structures at 1218 and 1224 N. Vine will be demolished beginning on Friday, October 7th and continuing through the weekend. Following the demolition, the area will be bladed and established as a construction storage area through the Fall of 2018.

Please see the attached notice for more information about the demolition. If you have questions, please contact Melissa Dryden, Planning, Design and Construction, at [mdryden@email.arizona.edu](mailto:mdryden@email.arizona.edu) or 621-9251.
