University of Arizona - Ring Road travel restrictions August 4, 2017 through September 1, 2017

UA FM North Well Relocation Project

8/3/17

SERVICE OR INTERRUPTION:

There will be no Southbound traffic on Ring Road during the construction.

WHAT EXACTLY WILL BE AFFECTED:

Phase Two will require shifting of lanes on Ring Road. Ring Road will be down to one lane, Northbound traffic only, and South of Drachman, to the Northwest corner of Banner Parking Lot C. Buildings, including parking entrances and exits, will be maintained. Lot 2235 (Zone 1) will be closed on weekends during this timeline.

DATE & TIME:

Friday, August 4, 2017 starting at 7:00am until Friday, September 1, 2017, ending at 3:00pm

DESCRIPTION:

Facilities Management Utilities will be assisting contractors during the installation of water and electrical distribution for North Well Relocation Project.

NOTE: It is the responsibility of the department/recipient to print and/or to post this and all alert notices.

UA FM contact: Rick Lower 520-360-8534
