New Hospital Tower: Construction Updates

This month we achieved our temporary certificate of occupancy (TCO) – a tremendous milestone in our design and construction of the new tower. [Read More](#).

Compassion In Action

This past month a registered nurse went into a room to tend to a patient who had just received her lunch tray. When the nurse went to move the tray, the cart got tangled in some cords and the food spilt all over,

Sarah's Leadership Message

Sarah's Message

Improving access to care has been a top priority for our teams. We have successfully expanded several of our physicians' practices across Tucson, to best serve our community: great win for our team so far. In addition to improving access to physician appointments... [Continue Reading](#).

Performance Management

An important first step in the performance management process is completing your self-appraisal online in MyHR --- your team leader can't deliver 2018 performance appraisals until this step is complete.
