New Hospital Tower: Construction Updates

We are less than one month away from opening BUMCT Tower 1. Our teams are hard at work, making sure this transition goes smoothly. The opening is a very exciting, monumental project and we could not have done it without the help of everyone involved. [Read More](#).

Save the Date!

Be the first to see our new hospital and join us for a fun-filled event, celebrating construction completion. Before the tower opens to the public, check out our private patient rooms, state of the art operating suites, beautiful cafeteria and more.
