"Double, Double, Toil and Trouble: Paradoxes, Biases and Fallacies That Can Turn Your Data Analysis to Rubble"

Other

[Introducing the All of Us Data Browser](#)

All of Us has launched an interactive Data Browser tool, currently in beta testing, to offer a glimpse of the data participants are sharing for health research. Participants, researchers and other members of the public can use the Data Browser to learn more about the *All of Us* participant community as a whole.

To request any disability-related accommodations for this event please contact the event coordinator at least three business days prior to the event.

Created and sent with the [UAHS Memo Generator](#).
