Southwest Gas Construction Notice - north of Drachman Circle and west of AHS Library

UAHS Campus Construction

The Southwest Gas construction project that has been underway for several weeks along the north and west sides of the AHSC Library near Drachman St. is almost complete. The sidewalks will be replaced between Tuesday, February 5th - Friday, February 8th, which will require temporary detours of pedestrians around Drachman. Once this work is complete, the sidewalks will be open for pedestrians to travel around the AHSC Library and on Drachman.

Please be advised that the rain predicted for the weekend could delay the sidewalk replacement schedule and the opening of the sidewalks. For questions, please contact the Southwest Gas project hotline at 1-844-258-7481 or Melissa Dryden, UA Planning, Design and Construction at mdryden@email.arizona.edu or 621-9251.

Created and sent with the [UAHS Memo Generator](#).
