Dear Colleagues,

Another season of change is happening at the UA.

We've launched this year's UA Cares campaign, which provides support for our students and has a direct impact on our communities. I want to offer my sincere thanks to the many UA Health Sciences employees who have chosen to be part of this annual employee giving campaign in past years.

Our large number of UA Cares donors is just one example of how the UA Health Sciences workforce is committed to changing lives through their generosity.

**It is time to renew your payroll gift—or to make the simple decision to join your colleagues and become a UA Cares donor for the first time.**

Make a tax-deductible contribution to the program that means the most to you, in the Health Sciences, in the broader university, or—through our partnership with the United Way—in the surrounding community.

There are many reasons to give:

- Gifts of all sizes add up to a tremendous impact.
- The dollars you donate are used right here to make a difference locally.
- Employee giving tells potential donors that we believe in our mission and our work. Your gift is multiplied many times over when it inspires a friend of UAHS or an alumnus to make a gift of their own.

**There are two easy ways to give:**

- **ONLINE.** Visit the UACCESS website, click on the Employee / Manager Self Service tile, log-in, and click on the UA Cares tile. To make a payroll deduction gift to support the program, project or scholarship fund that means the most to you, choose "Give through the University of Arizona Foundation." Click on "Department/Unit" to write in a specific program, or fund.

- **PAPER.** To make a one-time or payroll gift using a paper form click here: [https://uacares.arizona.edu/sites/default/files/UACares\\_PledgeForm\\_F.pdf](https://uacares.arizona.edu/sites/default/files/UACares_PledgeForm_F.pdf)
