Lizzie Bell Foundation
A special thanks to the Lizzie Bell Foundation and Kathy Bell for their generous donation.

Ben's Bells
The mission of Ben's Bells is to inspire, educate, and motivate people to realize the impact of intentional kindness, and to empower individuals to act according to that awareness, thereby strengthening ourselves, our relationships and our communities.

A Day of Hope and Remembrance
Donor Hero Recognition Ceremony
Banner – University Medical Center Tucson
Sunday, April 23, 2017
Kiewit Auditorium
2:00 - 4:00 p.m.
Reflections on the Gift of Life

“I'm grateful. It can be difficult to think about donation, but it makes such a profound impact on other people. I want my donor families to know how much their gifts meant to my family and me. What donation has done in my life has been huge.”

Derek Block, Phoenix Firefighter and Skin Tissue Recipient

“It makes me very happy that Andrew's eyes are still helping someone. The greatest gift we have is sight. If he's helping someone see their loved ones, their children and their grandchildren, that's just incredible. We are so proud of the decision Andrew made to be selfless and register as a donor at such a young age.”

Heather Griffin, Donor Mother

“I live each day in gratitude to my donor and their family, whoever they may be. Because of my organ donor and a generous gift amid tragedy, my adventures will continue.”

Elise Campbell, Heart Recipient
