Banner Project - additional Ring Road Restrictions June 19, 2017 through July 5, 2017

**Construction Alert - additional work affecting Ring Road and Banner Parking
Garage "C"**

June 16, 2017

New water line construction will begin on the North/South portion of the Ring Road between the South edge of parking garage "C" and Adams Street on Monday, June 19th and complete on Wednesday, July 5th. This work activity is slated for Monday through Friday starting at 6:30 PM and ending at 5:30 AM each day. Ring Road will close during the night work activity and reopen each day for full access to garage "C". Exiting from garage "C" during night work hours will be limited to the North and East ring road. At all times, we will allow access through the construction area for Banner and UA operations on an as needed/emergency basis. Banner Emergency contact numbers and the Ring Road closure map below.

Construction Hotline: 520-268-9575
