Nomination for Founders Day Speaker in 2016

TO: All Faculty Members at UAHS

The University of Arizona College of Medicine was dedicated on November 17, 1967. The Founders Day lectureship was established in 1979 to commemorate the founding of the College of Medicine and to recognize and honor our faculty in the College for their scientific accomplishments. Each year a well-established and nationally recognized faculty member is honored and asked to deliver the Founders Day lecture.

It is time for you to nominate this year's Founders Day speaker. Please send your letter of nomination along with the nominee's current CV to glinda@email.arizona.edu, or hand deliver to the Dean's suite (front desk) or mail a hard copy to the COM – Tucson, P.O. Box 245017.

All nominations should be submitted no later than October 7, 2016.

All nominated candidates will be reviewed by the Founders Day Committee. A final speaker will be selected to deliver the **2016 Founders Day lecture from noon to 1 p.m. on Nov. 17, 2016, at UACC, Kiewit Auditorium, room 2951 (mark your calendars)!**

It is a great honor to be a Founders Day Speaker, and I encourage you to nominate a colleague who is an accomplished scientist and has made significant contributions to the College and the University.

Thank you very much, and I look forward to receiving your nomination.

Sincerely,

Charles B. Cairns, MD
Dean, College of Medicine – Tucson
Professor, Emergency Medicine
