University of Arizona Construction Update

Health Sciences Innovation Building (HSIB) project - Temporary sidewalk detours

6/15/16

In preparation for construction of the Health Sciences Innovation Building (HSIB), crews will be doing some potholing to locate underground utilities around the perimeter of parking lot #2012 beginning on Thursday, June 16th and continuing for the next couple of weeks.

The only expected disruption may be the temporary detour of pedestrians around the small, barricaded work areas along Drachman, Mabel, Cherry and Warren (highlighted in the map link below). Crews will be on hand and detours will be provided when barricades are in place.

If you have questions, please contact Melissa Dryden at Planning, Design and Construction, 621-9251 or mdryden@email.arizona.edu
