Banner Construction Project - UMC Ambulance Route

Cherry is now the route for Banner UMC Ambulances

2/14/18

The ambulance route for the Banner University Medical Center ER will now include Cherry Avenue, Adams Street and Warren Avenue. *Please see attached map.* This will be the permanent route throughout construction and upon completion of the new facility. The non-ambulance patient entrance to the ER will remain on Elm Rd. from Campbell Ave.

Banner Construction Hotline: 520-268-9575
