Flinn Foundation Buffmire Lecture

Disease Causality and Intestinal Microbiota: Is Fecal Microbiota Transplantation the Answer?

Friday, March 23

Noon

Dr. Lawrence J.
Brandt

DuVal Auditorium

Dr. Lawrence J. Brandt

Dr. Lawrence J. Brandt will discuss the intestinal microbiome and give examples of how the microbiome can be changed to alter the outcome of patients suffering from a variety of illnesses, as well as what the future of fecal transplantation and manipulation is going to be.

Dr. Brandt is professor of Surgery and Medicine in Gastroenterology and Liver Diseases at Montefiore Medical Center in New York, where he currently is the Emeritus Chief of Gastroenterology and Professor of Medicine and Surgery at Albert Einstein College of Medicine.

Lunch is provided for all guests. Please RSVP: <http://bit.ly/Buffmire2018>

Lunch service begins at 11:40 AM.

Contact: Ross Dubois, duboisr@email.arizona.edu, 520-626-9037
