The College of Medicine – Tucson is showcasing research initiatives and inventions on October 18 from 4-6 PM. The event will feature posters from different researchers and groups within the college, as well as brief, 3-minute talks on the implications of research and future directions. The event is outside of Drachman Hall on the UA Health Sciences Campus.

Heavy hors d'oeuvres and beer and wine service is provided for attendees.

Hope to see you there!

A 'Save the Date' poster for the 50th Anniversary Innovation and Invention Research Fair. The poster has a blue and white background with light rays. On the left is a circular logo that says 'CELEBRATING 50 Years 1967-2017'. The main text is in red and black. It says 'SAVE THE DATE' in red, followed by 'Please join us to celebrate 50 Years of Innovation at College of Medicine – Tucson (COM-T) You are invited!' in black. Then '50th Anniversary Innovation and Invention Research Fair' in large red letters. Below that, 'October 18, 2017 | 4:00 PM – 6:00 PM' and 'Drachman Plaza on the Health Sciences Campus' in black. At the bottom, it says 'For more information please contact Ross Dubois: duboisr@email.arizona.edu' and 'If you have questions concerning access, wish to request a sign language interpreter or accommodations for a disability, please contact Ross Dubois, duboisr@email.arizona.edu or 520-626-9037.' The University of Arizona College of Medicine Tucson logo is at the bottom right. To the right of the poster is a white box with a red arrow pointing down, containing the text: 'Come see the latest discoveries and innovations that will improve patient care and precision medicine. Participate in demonstrations and discussion with COM-T faculty and their collaborators from other colleges, universities, and biotech companies. This is a networking opportunity not to be missed! Hors d'oeuvres and beverage service will be provided.'
