## UA Strategic Plan Session at College of Medicine - Tucson on May 30

Dear Colleagues,

The University of Arizona is currently engaged in a campus-wide strategic planning process. Over the past four months, nearly 5,500 members of the Wildcat family in Tucson and around the world have engaged in a conversation to advance the University.

Now it is our turn. The Strategic Planning Leadership Team will be visiting the College of Medicine – Tucson on **Wednesday, May 30, from noon – 1:30 p.m.** The session will take place in **DuVal Auditorium**, near the main entrance of Banner – University Medical Center – Tucson, with **lunch provided**.

The purpose of the visit will be to engage in a dialogue about how the college sees itself developing students and leading research in the Fourth Industrial Revolution. It will be an important opportunity to capture our college's unique perspective and identify ways to incorporate these ideas into the development of a university-wide plan.

***Space may be limited. Please RSVP for the event by visiting:***  
<https://medicine.arizona.edu/webform/uacom-t-strategic-planning-meeting>

Discussion materials will be distributed via email in advance of the event.

If you have any questions or need any additional information, please contact Judy DiMarco, PhD, Deputy Dean for Administrative Affairs and Chief of Staff, via email at [jdimarco@medadmin.arizona.edu](mailto:jdimarco@medadmin.arizona.edu).

Thank you in advance for participating in this important process.

Sincerely,

Leigh A. Neumayer, MD, MS, FACS

Interim Senior Vice President for Health Sciences  
Executive Dean, UA College of Medicine – Tucson  
Professor and Chair, Department of Surgery  
Margaret E and Fenton L Maynard Endowed Chair in Breast Cancer  
Research
